Save Owasippe Update & Timeline

by: Joe Sener - SOSR Committee Chairman

I hope this article finds you well, and I wish you a healthy and prosperous New Year. It has been some time since I have been able to give you an update on the progress of our Save Owasippe efforts. I would like to take a few moments of your time to explain our progress and our prognosis.

In the past year, we have had a number of opportunities and successes. We have had an opportunity to meet with many members and volunteers of the Chicago Area Council. These volunteers told us they would support our actions to try to purchase Owasippe Scout Reservation to preserve and run it in a way that would make better use of the property and make it financially self sufficient.

In late January, we expect to have the formal plan for our Capital Campaign efforts. Our goals will more than meet the reasonable expectations for the purchase of Owasippe as well as the funding of an endowment for ongoing operations. We believe, as do the politicians and community members of West Michigan and Scouting volunteers of Chicago, that we will be able to make an offer in a short period of time. Our plan will include the timeline for our Capital Campaign and the making of the aforementioned offer.

Clearly, the sale of Hoover and the resulting financial windfall has eased the pressure requiring the urgent sale of Owasippe. There is no need to move quickly to subdivide Owasippe or to sell off large portions to other buyers when our solution will meet the needs of the Chicago Area Council camping program and keep Owasippe intact.

Initial Fundraising

The Owasippe Staff Association began a fundraising effort designed to meet our goals but not interfere with the normal fundraising efforts of the Council. Such interference would reduce the revenue of the Council and not get us any closer to our goal – there simply is not enough money in that donor pool.

Our efforts brought forth financial backing from the traditional friends of Owasippe; former staff, Scouters and friends who heard of our need from across the country. To date we have raised over \$100,000 from checks for \$25 to donations of \$5,000.

While \$100,000 is not enough to purchase the camp, it is enough to act as seed money for the development campaign required to properly finance Owasippe's conversion into an outdoor university. *(cont. on page 3)*

The Dinner Dance is Right Around the Corner!

The 26th OSA Annual Meeting and Dinner Dance will be held on March 6, 2004, at European Chalet Banquets (5445 South Harlem, just south of I-55). Dress for a semi-formal night of dinner, spirits and fellowship. This is a great chance to call some camp buddies and host a reunion of the old gang. Doors open at 6 p.m. and family-style dinner will follow the closing of board elections.

During the evening, we will hold our annual meeting, present awards (including Member of the Year), make special recognitions, conduct elections and, of course, we will be raffling off some wonderful prizes. Raffle prizes are listed later in this article, and the slate of candidates for the election is featured on page 7.

This year we are trying out a "Golden Ticket" system to speed up the check-in process. Each Dinner Dance ticket is \$35 if your reservations are postmarked by February 21st. A Golden Ticket will be mailed (or confirmed by phone) to all members who have their tickets and membership dues paid for by the Feb. 21 date. Present your Golden Ticket at the door, receive your ballot(s) and you're set to meet and greet friends!

PLEASE NOTE: After Feb. 21, the ticket price goes up to \$45 each. Regretfully we can no longer accept IOUs. Advance reservations can only be made with accompanying payment.

President's Perspective by: Ron Derby - President

First off, I'd like to wish you all a healthy and prosperous new year! I hope everyone had a happy and safe holiday season.

Secondly, I'd like to ask you a few questions about Owasippe.com. Do you like the OSA Web site? Do you spend time there? Do you think it's a valuable resource packed with relevant information?

If you answered "yes" to any of those questions, you'll probably answer "yes" to a few the following questions as well. Have you ever wished you could pay your dues online? Do you wish there was a "members only" area where you could look up old friends? Have you ever wanted to buy OSA apparel online? Would it be convenient for you to make donations online and automatically receive your thank you/tax documentation instantly? Would you like to browse through news and picture archives? I could go on and on.

Don't get me wrong, I know we have a great site. In fact, we have 650 subscribers to our e-mail updates, and people really seem to find our site quite useful. Without an office, our site has really become something of a "virtual headquarters" for the OSA. That's not to mention the vital role it has played in keeping the lines of communication open during the Save Owasippe struggle.

I'm asking you to think about the next phase... the future of Owasippe.com. We have a Web proposal on the table that will allow Owasippe.com to go from "good" to "great." Organizations like ours have been able to use the power of the Web to speed up and simplify many day-to-day operations for both members and directors. The OSA Board truly believes that a big part of our organization's future will center around the Web and that the time to take better advantage of these opportunities is now!

As you may know, we've had a long-standing relationship with xBx, a Web development firm in Highland Park. xBx built our existing site (at a considerable discount), and they donate server space to us that would normally cost close to \$900 per year. Now xBx is offering us almost \$36,000 worth of Web site for just under \$5,000. It's an amazing deal and an amazing opportunity!

If you appreciate the value of a powerful Web site, if you have ever wished for more Web features, or if you're just looking for a good cause to support, we need your help! You can help us make this possible by sending checks made payable to the OSA and earmarked for the Web Site Fund.

Thanks for your time and consideration. I hope to see you all at the Dinner Dance on the 6th! - - R.D.

Dinner Dance (continued from page 1)

Sener to Receive Silver Beaver

Congratulations to our own Joe Sener, who was honored with the Silver Beaver Award. The formal award ceremony will be held at the Chicago Area Council's Annual Recognition Dinner on Saturday, January 31.

Joe has been a member of the CAC board of directors for the last two years and has been serving as the Chairman of the Owasippe Program Committee, which he has been a part of for at least the last ten years. Joe is a past president and a founding Board Member of the OSA and was presented with the OSA's highest honor, Honorary Life Member, during last year's OSA Annual Meeting and Dinner Dance. He is also an Eagle Scout and a Vigil Honor member of the Order of the Arrow.

For over 20 years, Joe has been on the training staff for Owasippe's Counselor-In-Training program and was instrumental in the introduction, design and construction of the original COPE course back in the '80s. His most fervent preoccupation of late is with the effort to preserve Owasippe for future generations of Scouts and the formation of the Owasippe Outdoor Education Center (a Michigan not-for-profit corporation).

Other veteran CAC Scouters being recognized for outstanding service with the Silver Beaver Award are William Finkler, James Keys Sr., Ron Kron, Lynda Michalski, John Rak Jr. and Richard Snow. Again, our congratulations to Joe for this high honor and recognition of all his incredibly hard work.

Save Owasippe Update & Timeline (continued from page 1)

Last summer, for the first time in recent memory, we opened up Owasippe for off-season use by the community and other youth groups. When we met with the athletic director for Whitehall High School, his interest was in a special area to run plays and train his team in a venue different than their usual field. We showed him our facility, and it became apparent that he did not realize the opportunities we could provide. After seeing our world-class COPE facility, he determined that they could run plays almost anywhere, but he could really teach some team-building skills at the COPE course. With that we helped him redesign his entire program. And it was a resounding success.

In addition, a new customer, The Young Marines, was welcomed to Owasippe. This group of about 85 Young Marines and leaders had such a great time, we are planning for several hundred of them in August of 2004.

OOEC is Formed

Some months ago, several of us formed a Michigan not-for-profit corporation called the Owasippe Outdoor Education Center (OOEC). This corporation has been granted U.S. IRS 501(c)3 status as a charitable organization (IRS number 03-0510621). It was formed for the express purpose of acting as either operator or owner/operator of Owasippe as an outdoor education center for the youth of America. This will include the continued operation of Owasippe as a Boy Scout Camp as well as additional programs to assure the conservation use of the property as an "outdoor university."

Our vision is simple...

Provide a world-class outdoor education experience for youth and adults by operating a premier outdoor university rooted in conservation minded principles.

Professional Development Director Hired

We are using the funds that have been donated thus far to employ Gordon Zion as Director of Development for the OOEC. Gordon is a professional fundraiser and was an Executive with the Boy Scouts of America a number of years ago. Many of us met Gordon when he was a Scouting Professional in Chicago, where he raised over \$3 million for a capital campaign and was Camp Director of Camp Carlen (Sauger Lake) at Owasippe. In his career in financial development, Gordon has led 18 separate projects totaling over \$130 million and has never failed to reach the Capital Campaign goals of those projects.

Meeting the Community

Several times over the past 12 months, we have had a chance to meet with and hear the concerns of the West Michigan community. It is clear that they share our commitment to the conservation use of the camp and maintenance of the camp as a single entity to serve the youth of their community.

These meetings began in October of 2002 with an open

meeting of Blue Lake Township with over 150 residents and representatives in attendance. Our second meeting was the annual meeting of the White Lake Chamber of Commerce, held at Owasippe on September 20, 2003. During this meeting, we had a chance to talk with many members of the Chamber including the political representatives of the area. We also developed a relationship with members of the business and banking communities who have agreed to help us in our quest.

The third meeting was held on December 15, 2003. This meeting was called by Michigan State Representative David Farhat to discuss the opportunities for the community surrounding our efforts to purchase Owasippe. Present at this meeting were State Representatives, State Senators, Muskegon County Commissioners, U.S. Representative John Hoekstra, city mayors, the Blue Lake Township Supervisor and members of the OOEC including Chauncey Niziol (OOEC Board Member), Joe Sener (OOEC Chair) and Gordon Zion (OOEC Director of Development). During this meeting, we discussed the plans and opportunities for the future of Owasippe including access to the Michigan Natural Resources Trust Fund. These representatives all universally voiced their commitment to our success including lending their substantial political support to our Capital Campaign efforts.

The efforts of the OOEC have generated successes and relationships that the Council has not been able to develop for years. We believe that these relationships will help take Owasippe to the next level of service to the youth of America.

Here's Something You Can Do...

Many companies offer donation-matching programs for their employees. Check with your company to see if this is available. It's a quick way to double your dollars towards the effort to save Owasippe. Clorox is one such company (we found this out thanks to an unnamed donor). Ask your employer if a program is in place, or if they would consider matching your own personal donations to the Save Owasippe fund. Thanks!

 August 4, 1930

Dearest Angela,

I just received your letter and maybe you don't think I wanted it a lot. I sure was glad too that I didn't have to use my imagination at all because all four pages were filled (swell).

When is your birthday Angie, you have never told me you know and I'm curiously interested in finding out for more reasons than one. We'll celebrate over the next period's stayover and I don't mean perhaps, it's going to take a lot to keep me here next period I can tell you that. I intend to leave on the last Friday nite and spend Saturday and Sunday in Chicago leaving on the night train back here.

Last night our camp director, Mr. Miller, staged a semi-banquet for us in our mess hall and it was just as high-class and we had so much fun as if we had been in one of Chi's best hotels. We had everything from soup to nuts and maybe we didn't and you should have been here. I'm not eating dinner this noon and I didn't eat any breakfast this morning and still I'm not so hungry. I just can't stand the way they cook things at Camp Blackhawk (a neighboring camp where we eat every other stayover). In fact I have been kinda sick to my stomach from it. None of the staff is eating today and even the Scouts are getting so they'd sooner starve. Tonight we eat in our own camp again and maybe I'm not going to show that new gang some tall essen.

I guess that by the time I take you out in my ship you'll be better fitted to be her captain than I, you're sure bitten by the waterbug alright aren't you. That's swell. You don't even get seasick when you go for a boat ride however after you've been tossed around in a small boat for a couple hours, I think you will know whether or not you're a sailor. I've done an enormous lot of sailing these last two days and yesterday I sailed about three miles tipped over so far that my deck was underwater and the mast of it was out of the water and I was making about seventeen knots per hour, which is approximately

nineteen and a half miles per hour. Boy, when we'd crash into the waves the spray would come right over the bow and soak the whole cockpit. Today is another day for windjamming but I'm going to try and get in town and get my hair cut (not shaved off however).

As a diver, I'm not so hot but I'm not afraid to dive off of any board. I can't do any fancy tricks at all but I am gradually learning the swan dive and a front jack knife. Last year, I could do a back dive put together with a full turn. I haven't tried it on our new board yet this summer (an idea for the p.m.). I'll bet we'll do a lot of swimming together this fall if the weather permits. I hope so anyhow.

I don't know the location of the new Tom Thumb Golf Course but I do know that we'll soon find out when I get back for the winter and school. I'm kinda waiting for school to open again you know. It's going to be my last and best year of school and I'm planning a lot of things for it.

I haven't any one in my tent this stayover and I'm alone for the last few days but the two fellows are probably on the way back now, so we'll have a big reunion tonight.

As for pictures of myself I haven't really taken any so far but I'm going to enclose some pictures that I took or had taken so far last period. They're not very good but you can get a little idea of where I live and the fellows with me. I'll have another set ready to be developed this afternoon and I'll send them back to you. Please keep these till I get back for me Ang and I'll be much obliged.

That's all for this time Angela but if I can find anyone I'll drop you a hello. 'Till then I am as ever

Yours,
 Don

P.S. Do I miss you? (what a question) Can't you tell by my letters how I feel?

Owasippe Memories

by **Jim Hoggatt - OSA Member**

In 1949 Bill Hall and I were “commissary assistants” for cook George Jones at Camp Blackhawk – hired by Ed Cain.

In the early- to mid-'50s I drove trucks hauling food from headquarters at Crystal Lake (Owasippe Lake); canoes and canoe trips on the White River, Manistee, et al. I met Ron Wilson in 1951, and he's been a long-time friend ever since. I worked under Ron for five summers along with such big “O” greats as Ed Cain, Bob Pagel, Jack Perz, Bob Thompson...all of which have long since joined the great camper in the sky. Off-duty hours included flirting with locals at the Goody-Goody, square dancing at the Schiller's barn, cuddling at beach parties at Duck Lake.

Later years included adult events at Montague's Franklin House Bar. Pitkins and Connie Quints Café were popular. Some names that come to mind include Ron Wilkstrom, Bob O'Connell (Reo), Jim Barda, Herb Thurman, Jim “Moose” Dunn, Sadie and Ida, Joe Weiler, Wellington Spaight, Bernie Gladstone, Will and Marge Teall, Mike Mickelson, Bill Remo, Don Thormahlen, Carol Bostrom, Fr. Jerry Scanlon, Fr. Petz, Steve Horvath, and a host of other fine folks.

My Owasippe years were filled with wonder and the most pleasant memories and experiences.

by **Fred Kurnick - OSA Member**

My fondest memory of Owasippe was as a kid living on the West Side. I belonged to a Troop in the Midwest District. The first time I went to Owasippe, I took the Roosevelt Road streetcar to Michigan Avenue. Then we bought a round-trip ticket at Illinois Central. We got on the Pere Marquette train to Whitehall. We hiked to Camp Wilderness.

We lived in Adirondack cabins, which were three sided with potbelly stoves. We ate in the dining hall, which later burned down. It can still be found as remnants when hiking the trail. That same year, I was elected into the OA as an Ordeal Member. The ordeal was held at Hiawatha Beach.

Later on, the Troop did outpost cooking at Frontier and Pioneer. We also camped at Stuart, Beard and West. Each year, we camped for two weeks. Camp was cheap at the time. Later on, I attended Woodbadge at West. I also went to camp school at Blackhawk.

My first job was working in the dining hall. Later on, I was a provincial Scoutmaster at Wolverine North.

The final outcome is that I still go to Blackhawk every year. Total years of going to Owasippe...61 years. The main thing was Chief Owasippe coming to our campfire on Friday night when we received our badges. This made us come back to Owasippe each year.

See You at the End of the Trail

Madeline Roberts

Madeline passed away in early November at the age of 89. She was the Owasippe “Energy Bunny,” running into Whitehall for the people on staff at Ad Center, Family Village and Reneker. She was known for her wit, enthusiasm and friendly demeanor. Madeline is survived by her husband Glenn Roberts who, for many years in the early '70s into the early '90s, was the business manager for Owasippe and the person who oversaw all lot transactions and the paying of real estate taxes on Owasippe's vast acreage. He is a Life Member of the OSA. They also have a grandson who served on the Owasippe staff.

*A card or a note to Glenn and his family would be most appreciated:
Glenn Roberts, 200 Village Drive - #423, Downers Grove, IL 60515*

Charles Roepke

Chuck passed away suddenly in early December. He, his wife Kathy, and their 14-year-old son Jason are all active in Scouting. Kathy is active at Arrowhead District Roundtables and in OPIK, as is Jason. In lieu of flowers, the family is asking that donations be made to the Save Owasippe fund through the OSA or any other Scouting program in Chuck's name. Please, pray for this family and, if you can, please support Jason and Kathy at this time.

Catherine Lyons Schlichting

Kay, mother of Jim Schlichting, passed away on December 27, 2003. She was a beautician for 23 years and an LPN for 25 years. She was buried at Irving Park Cemetery in Chicago. Kay will be missed by the entire family, and our thoughts and prayers are with Jim, Linda, Heidi and Marc. Memorial contributions will be placed into a fund to further educational interests of her grandchildren and step-grandchildren.

Matthew F. Nedza

We are saddened to report that Matt passed away right around the first of the year. Matt was involved in the BSA for more than 25 years and played Santa at one of the OSA Christmas parties held at Camp Kiwanis. His daughter, Mary Faye, and her husband, Ron Pezdek, are both current OSA members. Our prayers are with the family.

Marlene Tenczar

Sad news on the passing of Marlene Tenczar, wife of the late Donald and mother to Keith, who gave in to a long battle with cancer. The family was intimately involved with Troop 465, Mohawk and Chippewa Districts and Scouting in general, Kittakima-Meechgalanne OA Chapter, Kiwanis Crippled Children's Camp, Owasippe and the OSA. *Sympathy cards and letters can also be sent to:
Keith Tenczar, 5307 Prairie Sage Ln., Naperville, IL 60564*

Tim Scherbarth – Park Forest, IL

Tim, son of Jim Scherbarth, passed away after a long struggle with cancer. He was way too young, only in his mid-30s. More information wasn't available as we heard the news at press time. Check the Web site for more details. Our thoughts and prayers are with Jim and his wife, and the entire Scherbarth family.

An Eagle Scout and a Brotherhood member of the Order of the Arrow, Nick became a commissioner at Camp Blackhawk in 1995 and then served as Senior Commissioner in 1996 and 1997. Nick's resume also includes extensive leadership involvement in the Illinois Chapter of Alpha Phi Omega, a national service fraternity, where he has served as Chicago Area Vice-Chairman. In that role, he has formed a Long-range Planning Committee and created a mediation program. Nick also serves on the APO National Leadership Development committee. *As a member of the OSA Board, Nick feels he would bring a fresh perspective in terms of youth and relative objectivity. A New Fundraising Opportunity

by: Tricia Monahan - Fundraising Chair

The OSA is kicking off a new fundraiser. We will be selling gift cards as an easy way to help fund OSA programs and operations. But the best part is you can help the OSA through the money you already spend!

This is how it works. You buy gift cards and gift certificates through us at face value, we get them at a slight discount allowing us to make a percentage of the card amount. You're then able to use the certificates at stores and restaurants for yourself or give them as gifts.

They're accepted, same as cash, at stores where you normally shop, such as grocery stores and clothing stores. They can be used to fill up your gas tank, rent a movie or pay for a meal at your favorite restaurant. They also make great gifts for that hard-to-buy-for person.

A few examples of gift certificates offered are Jewel/Osco, Dominick's, Applebee's, Panera Bread, Starbucks, Blockbuster, Home Depot, Sears, Speedway and Exxon Gas Stations. The full list has more than 150 vendors! Vendors pay out different percentages ranging from 3% to 18% of the certificate amount. This means you can spend your

normal amount each month on groceries, gas, entertainment, etc, and the OSA gets a cut at no additional cost to you.

We will be taking gift card orders until February 21st. Cards can be handed directly to you at the Dinner Dance on March 6, or you can choose to have them mailed to your home for a small additional cost for insured mail. **NOTE: We will only send these gift certificates via insured mail because it is essentially the same as mailing cash.**

Orders received after the cut-off date will be returned because the cards must be ordered all at once. The good news is we will be taking orders 4 times per year – one with each newsletter!

These gift cards can be used all over the United States, not just in the Chicagoland area. And they're good for at least one year, so you don't have to worry about them expiring right away. See the insert in this issue for a full list of vendors, insured shipping fees and an order form.

Make checks payable to the OSA, earmark them for the "Gift Card Program" and send your order directly to Tricia Monahan - Fundraising Chair.

Jolly Times with Old St. Nick

Thanks to the families that came out to enjoy our Christmas party in December! The kids had a great time working on crafts, which included a CD ornament, and games such as pin the ornaments on the Christmas tree. The pinata, which was donated by Grandma Monahan, was exploding with candy to fill all the kids' goodie bags. Good pizza, nice treats and presents from Santa were enjoyed by all of the kids from ages 1 to 70. Candy Merritt planned a great party! Thanks to Tony Krier for his visit, and thanks to John Kapusciaz for donating use of the European Chalet room for the afternoon.

Seeing Stars?

Owasippe's Astronomy Outpost program is in dire need of telescopes! If you have a new or used telescope that you'd like to donate, you can e-mail us at seeingstars@owasippe.com. You can also send checks made payable to the OSA and earmarked for the Telescope Fund.

The End of Treevia?

dug up by: Hans Anderson

Board Member Hans Anderson has unearthed one last batch of Treevia (that's trivia from the Tree, Owasippe's underground staff newsletter) for you to try your hand at. If you have old issues of the Owasippe Tree, e-mail the trivia questions to vibrations@owasippe.com and we'll print them.

Until then, see how well you do on this 1989 quiz.

Galloping Grapevine

Correction

Last issue, we mentioned a request for donations to the Steve Schaefer Scholarship fund at Owasippe. In the article, we gave a short summary of Steve's heroic actions saving people from a burning building. To correct what we printed, Steve was not seen outside of the burning building at any time. As far as all reports and statements from the fire marshal determine, he remained inside the building waking up those who were sleeping and helping them escape safely. We apologize for the mistake and any pain it may have caused.

Please send any contributions to the Steve Schaefer Scholarship Fund to the OSA and earmark them for the "Steve Schaefer Fund."

New Eagles

Congratulations to the new class of Eagle Scouts! Quite a few have close ties to Owasippe, and we are very proud. **Paul Janus** of Troop 41 completed his Eagle Board of Review within a few weeks of returning from camp staff last summer. He has camped at Owasippe for five years and was in the CIT class of 2003. **Eric Hassler**, a graduate of the CIT class of 2002 also reached Scouting's highest rank last September. **Matthew Kavanaugh** of the 2003 Camp Wolverine nature staff passed his Board of Review last March... belated congratulations! **Kevin Barry** completed his Eagle Board of Review on November 20, 2003. And **Marcelo Pappas**, brother of Owasippe staffman Tiago and son of OSA member Phil, earned the rank of Eagle Scout as well. We are proud to have each of you as part of the Owasippe family, and we congratulate you on your dedication and accomplishment!

Bob Menard - Crystal Lake, IL

Bob checked in with us, keeping us updated with his ongoing Scout involvement. He is active in the Blackhawk Area Council as Sycamore District Roundtable Commissioner and will be the backup course director for that council's Wood Badge course later this year. This summer, he will make his third trip to the Boundary Waters with two crews. His son received his Vigil in 2002 and is still active in Scouting between semesters at the University of Wisconsin at Platteville. Hey Bob, we look forward to seeing you at upcoming events!

Marc L'Heureux and Jennifer Van Slyke

Congratulations to the happy couple! Marc and Jennifer were recently married. The newlyweds were in attendance at the November pizza night beaming with bright smiles. Both are former Owasippe staffers. Best wishes for a long marriage filled with love and friendship!

Mindy and Dan Kleinfeldt - Chicago, IL

Christmas came early this year for Dan and Mindy with the birth of Isabella Josephine Kleinfeldt on December 3rd. She weighed in at 6 lbs even and was a tall 19-3/4 inches with a full head of black hair! Papa Dan is the Vice President of the OSA and the paternal grandparents are Wally and Patricia Kleinfeldt, longtime Scouters from Indian Trails District on Chicago's Northwest Side. Mom and baby are doing great. Kudos and congrats to the whole family!

PJ Parmar

Former staffman PJ has completed his book, 101 Countries: Discovering the World through Fast Travel. The book jacket starts by describing it this way, "With an inability to sit still, a knack for

handling uncomfortable travel, and a mission to see most of the world with as little time and money as possible, the author embarks on a whirlwind tour of five continents." Check out www.virtualbookworm.com or your favorite bookseller to get your copy for the low price of \$14.95. PJ worked in the outpost program at Owasippe under Tom McLean. Big pat on the back for the hard work, PJ!

Nancy Cihocki - Evergreen Park, IL

Nancy wrote in with some sad news on her family. She worked at Camp Reneker in the late 1980s. She married Tom Kresal in 1999 and adopted 3 sons, Bill, Ben and Brandon. In late 2001, she had twin girls born three months early. Gabrielle passed away of blood poisoning the following day, and Lauren has suffered many illnesses and health problems stemming from her premature birth. She battles every day with cerebral palsy, Bronchial Pulmonary Dysphasia, and Necrotizing Enterocolitis, among many other conditions. Our thoughts and prayers are with the whole family through this ongoing struggle.

Nancy can be reached at KresalNancy@aol.com or 708-857-7896. She would surely appreciate any kind words of support or any contact with her Owasippe family.

The Lauren C. Kresal Fund has been set up to help the family with medical costs. Any contributions to the Lauren C. Kresal fund would be greatly appreciated and are tax deductible. EIN 48-1275900

Sarah Niziol - Chattanooga, TN

Congratulations to Sarah who got engaged in late October to Rob Hall, whom she met working at Miniwanca Education Center, a camp just north of Owasippe. The wedding date is tentatively scheduled for this October and will likely take place in Chattanooga. Rob has a son, Jonah, who is 7 years old, and the couple has two dogs, Einstien and Runt, all three of which keep them busy (aside from work and school and all the other things life includes). Our best wishes to Sarah and Rob as they tie the knot!

Tom Ewan - Bonsall, CA

Tom wrote in to let us know that he and the Rawhide Ranch that he manages escaped the Southern California wildfires with only a close call. Fires came within 10 miles of the ranch, and they hosted 20 horses evacuated from a camp in the area, bringing the herd to 95. Things are calming down again and getting back to normal. Tom welcomes anyone in the Owasippe family to stop by if they are in the area. The former Council Director of Camping loves to hear how the fight to save the camp is going and enjoys hearing how camp folks are doing. Glad to hear everything's alright, Tom!

Two Kempa weddings on tap!

The Kempa family will have lots to celebrate this year. With two weddings planned for the coming months and camp in the middle, there are lots of reasons for family gatherings. Brian Kempa got engaged to Debbie Mottlow over Thanksgiving weekend, and the couple will marry June 18th. Michelle Kempa got engaged last April and, on September 4th, will walk down the aisle with Dr. Edgar Lerma. Congratulations to both couples, and may the wedding bells keep on ringing!
