Save Owasippe Update

by: Joe Sener - SOSR Committee Chairman

The Owasippe Outdoor Education Center and our Development Director, Gordon Zion, continue to drive toward the successful solution of turning Owasippe into an outdoor university for the youth of America.

To date, we have \$40 million worth of proposals out requesting funds to support our efforts, and we have a meeting scheduled with 23 different parties in late April. This meeting will include nine representative politicians from West Michigan (U.S. Representatives, State Representatives, county representatives, mayors and township representatives), seven foundations who have expressed an interest in our proposal, and five corporations or banks who are supporting us.

This week, we were presented with two personal checks for \$10,000 each, along with a \$5,000 check from a private resident on Big Blue Lake. Community leaders are coming out to support us, and we will be there to help them learn more about the opportunities the OOEC represents for their constituents.

Stick with us and continue to support us as you have in the past. We are staying the course and look forward to a successful conclusion. See you at Owasippe!

Here's Something You Can Do...

We have been able to sustain the fight to save Owasippe through the generosity of a great number of people. As you may know, this fight has drawn heavily on the Save Owasippe Fund. A hearty thanks goes out to those who have helped along the way. And for those who have not yet fulfilled your pledges, now is the time. Please send checks made payable to the Owasippe Staff Association (earmarked for the Save Owasippe Fund) to P.O. Box 7097, Westchester, IL 60154.

26th Annual Dinner Dance = Good Times!

by: Ron Kulak - OSA Board

A huge thanks goes out to the 140+ people who attended this year's Annual Meeting and Dinner Dance in March. We had a great crowd and an amazing mix of ages that enjoyed lots of socializing, a delicious 3-course family-style dinner, raffle drawings, table contests, open bar, and dancing. The "golden ticket" entry plan worked well, so look for it to be repeated next year. Thanks for helping make it a success by reserving early!

A few reports were given during the meeting portion of the evening, and Joe Sener, Chairman of the OOEC, gave a quick synopsis on their activities to date and the tough challenges ahead for the Save Owasippe movement. Numerous new life members were recognized for their commitment to the organization, and a special Member of

the Year Award was presented to Dave Strenski of Ypsilanti, Michigan, for all his great work and dedication toward the planning and construction of the newly rehabbed Camp Blackhawk Firebowl.

Congratulations to Ron Derby, Mike Campbell and Jim Rich on being re-elected to the OSA Board. Thanks to all candidates: Andy Kimbler, Andy Lukasiewicz and Nick Wolff. Your interest and participation is appreciated.

Some of those in attendance were Laura and Mark Linse (CAC Commissioner and OSA member), Pam and Al Geisler (current head ranger), Diane and Roger Bevans (former head ranger), Bill and Judy Lotter from Owasso, OK, and Tiny and Marsha Norman from Kansas City, MO.

President's Perspective by: Ron Derby - President

Spring is finally here, and with it comes a wealth of opportunities. There's a lot of work to be done and a lot of good times to be had.

We just had another excellent Dinner Dance followed by one of the best Director's Weekend meetings I've ever attended. For those of you who don't know, the Director's Weekend involves an eight-hour planning session that's used to map out activities and operations for the coming year. We cover things like the budget, the fix-its, our social events, the Staff Development program, fundraising programs, our Web site and just about everything in between.

People often ask me, "How can you guys spend your time planning fix-its and picnics when we're about to lose the camp?" It's not a question to be taken lightly but the answers are pretty simple.

For one thing, we refuse to let ourselves believe that we're going to lose Owasippe. That doesn't mean we're walking around with our heads in the clouds saying, "Oh, don't worry, be happy." We have to be realistic, but we can't ever lose hope. As soon as we give up in our hearts, we're as good gone.

Secondly, our mission has not changed. The OSA exists for two main reasons; to support Owasippe and to maintain those bonds of friendship (that seal our loyalty). Owasippe's campers are still counting on us, and we're not about to let them down. At the same time, it's important to remember, "A family that plays together stays together." That's why we continue to put an emphasis on getting together to enjoy each other's company. We have several popular events that we hold each year, and we're working on developing a few new ones as well. Having fun has to have its place.

As our 26th year progresses, we have to keep that two-part mission in mind. We work hard and we play hard... that's who we are.

Gordon Zion is good man, and he's very good at what he does. If there's a way to get this done, he'll find it. Our job is to help in every way we can.

You may be asking, "How can I help if I don't have millions of dollars and/or I don't know anyone who does?" Again the answers are pretty simple. Keep supporting Scouting. Keep bringing your Scouts to Owasippe. Keep bringing your families to Reneker. Donate what you can to the SOSR Fund. If you made a pledge, honor that pledge. Keep supporting the OSA and its programs. Come to the fix-its. Come on out to an event or two. Most of all, keep hope alive.

There are a bunch of things happening over the next few months including a Spring Fix-it, a Pub Crawl, a 5K Run to benefit the OOEC and, of course, the OSA family picnic. **Check out page 5** of this newsletter for all of the details and then mark your calendars!

Thanks for all that you do,
-- R.D.

Dinner Dance (continued from page 1)

In addition to the advertised raffle prizes, we had some fabulous "night-of" prizes including White Sox tickets, a 6-hour fishing charter trip on Lake Michigan, handmade wooden furniture pieces, and Bass Pro Shops tackle packages.

We'd like to thank Candy Merritt for planning a great event and Pat Monahan for serving as Elections Chairman. Steve Troccoli was a great emcee, and Tony Krier gave the opening invocation. John Kapusciarz of the European Chalet Banquets was an excellent host (as usual). Thanks to Chauncey Niziol, Jim Rich, Mark Bregin and Bill Zielinski for providing great raffle prizes and to the lovely volunteers who helped sell tickets.

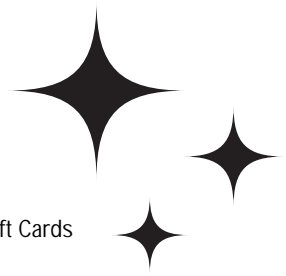

Make plans now to attend next year's dinner dance on March 5th... same time, same place!

Dearest Angela,

Just finished getting our tent arranged in some sort of order and after reading the first attempt I made after breakfast to write to you, I decided to write again and if this pen will quit acting up, I might get this letter finished some time today.

You should have been here last night. Several of us fellows took out canoes and we paddled all around the lake singing and playing uke's. The moon was prettier last night than ever and the sunset was even par excellence. The water was like the color of the canoe on this paper almost entirely.

So my girl friend is a sorority girl. I never knew that before. What's the name, GOTTA KOPPA PAPA or something like that?

Chuck is just shaking out some laundry he did yesterday and I have a great time kidding him about his work.

The feeling of the air this morning predicts nothing but the hottest day of the year and it's starting out right now.

I'm not working hard at all this period but I guess I'll go up and get something done that's due for tomorrow so if I may I'll close with lots of love from

An Owasippe Memory

by: Sarah Niziol - OSA Member

My favorite memories of Owasippe probably go back to my CIT year. Tricia and I were so wanting to be prepared we actually studied all our "bead" requirements ahead of time! We were the "campfire girls" who could do no wrong... or until the night of The Tree.

Candy, our Assistant Director at the time, came to us and asked if we'd be interested in being the Reneker contingent for the camp's underground newspaper, The Tree. We were honored! Sue Lutz would be around to pick us up that evening and we would be getting back after curfew so we were to be quiet about the whole event.

So off to Blackhawk we went, wrote the paper and was then dropped off in the A-side parking lot. We crept down to the kybo on row and could hear the girls asking each other where we were. The only thing left to do was army crawl our way back to our cabin so as to go unnoticed.

We made it! Only to find our cabin padlocked and the lights ablaze inside. The whole row could clearly see through our door that we weren't in bed. So much for secrecy!

Trek Guides Needed

The Manistee Quest program at Owasippe is look-ing for qualified staff age 18 and over to serve as trail guides for week-long treks. The program is conducted in the Huron-Manistee National Forest and includes backpacking, canoeing, and combo treks for 5 days. Guides need to be physically fit, have backpacking experience and knowledge, and be a capable swimmer, canoeist and CPR trained.

Trek guides will assist crews with their preliminary training and setup and will accompany the crew as an advisor, guide and instructor for five days and four nights. 21-year-old volunteers are also needed to accompany units on treks (not serving as trail guide) to fulfil two-deep leadership requirements.

If you or someone you know is interested, please contact Steve Adams, Director of Camping for the CAC at:

Old Uniforms Wanted

Those old BSA uniform parts can be of great use! Nancy Romcoe is collecting uniforms of all sizes and styles to distribute from the camp Trading Post to Staff and Scouts.

Lots of staffers simply cannot afford the quantity of uniforms needed for a full summer of use, and some campers don't have Class As for dinner, flag ceremonies, and campfires.

C'mon, you know those old uniforms will probably never fit again. Why not put them back into the Scouting movement where they can do some good?

Please send any uniform pieces you have (shirts, shorts, socks, belts, etc.) to:

Art Michaelsen ~ Montague, MI

Happy birthday, Art! He turned 75 on March 6th. We hope everyone was able to keep the secret of the surprise party at the White Lake Eagles Club. All our best for many more years!

Pat Romcoe ~ Chicago, IL

Pat "Beaver" Romcoe is the new District Executive for Arrowhead District, CAC. He has been active in his Troop for years and is very happy in his new digs. Thanks for all that you do, Beaver!

Chase Budziak ~ Chicago, IL

Congratulations to Owasippe Staffman Chase Budziak who was elected as the OA Section C-3B Chief earlier this year. Chase hails from Owasippe Lodge #7 and was the Lodge Chief before he took this new position. Chase plans on having a great conclave and hopes that everyone who attends has a memorable experience. Congrats, Chase!

Chris Bury ~ Bethesda, MD

Frank Chlebek let us know that Chris Bury, one of the OSA's very own, will be inducted into the Illinois Broadcasters Association Hall of Fame at the end of June. Chris was on the Owasippe staff from 1969 to 1976, mostly at Camp Wolverine North as an aquatic director, and is one of the OSA's charter members (and a member of the legendary "Camp Pre" from 1971). He is an Eagle Scout and grew up in the South Shore community of Chicago. Chris is the co-anchor of ABC's "Nightline" and now resides with his family in Maryland. We all salute Chris on his excellent work in broadcasting and on this great lifetime achievement! Way to go!

Jen (Kempa) and Terry Kotwasinski ~ Cicero, IL

Jen and Terry are the proud parents of a new baby girl, Lorelei Evalyn Kotwasinski. The little girl made her arrival on February 9th and weighed in at 8 lbs, 7 oz, and was 21 inches long. Congratulations on this new bundle of joy.

Rich Gargas ~ Indianapolis, IN

While becoming a Life Member, Rich (Wol South Staff '76-'79) caught us up on his current happenings. He's been working for Eli Lilly for more than 20 years as a consultant. He and wife Carla have five kids: Shannon (who served on staff in 1995), Rhonda, Richard, Clay and Dagny. He is very involved with the Scouts, serving as District Chairman for the North Star District of the Crossroads of America Council, Assistant Scoutmaster of Troop 514 and as Webelos Leader for Pack 514. Carla is the district's membership chair and is Pack 514 Committee Chair. Wow! That's dedication! Thanks for checking in with us, Rich!

Take the Lake!

The Lake Express high-speed ferryboat is taking reservations now and will begin operation June 1st. The service will make round trips between Milwaukee and Muskegon three times a day, taking two and a half hours per crossing. The boat can transport 250 passengers and 46 vehicles, plus motorcycles, bicycles and trailers. Tickets can be reserved online and cost \$85 round trip per adult. Cars, bikes, seniors, children and business class have different pricing. For more information, visit www.lake-express.com.

Save the Silversides!

The last time the USS Silversides, America's most-decorated Navy submarine still afloat, saw a dry dock was in 1949 after its use in WWII. Now efforts are underway to raise the estimated \$500,000 needed to sandblast, repaint and repair damage to the hull. The museum is working with veterans organizations to help raise the money needed. Donations from anyone, in any amount, are appreciated and welcome, and the museum is offering thank-you gifts. \$50 - color poster of the USS Silversides. \$100 - a 48-page booklet describing the Silversides' wartime patrols. \$500 - poster and booklet. \$1,000 - poster, booklet, a piece of the boat's original teak deck and a name plaque to be placed in the museum. More than 35,000 people visit the Silversides every year, and another 12,000 Boy Scouts, Girl Scouts and church group members spend overnight stays on the Silversides. If you'd like to help, go to www.silversides.org.

Hunting Merit Badge Being Tested

West Michigan is the selected testing ground for the new proposed hunting merit badge. Scouts are learning hunting safety, wildlife observation, conservation and hunting history as part of the requirements of the merit badge. Though Scouts will learn about animals, how to track them and their habitats, they will not be required to take aim at an animal. The badge is still in the proposal stage, undergoing more investigation before it will be formally presented to National for consideration as a nationally available, official merit badge.

See You at the End of the Trail

Kelly Nelson ~ Villa Park, IL

Our heartfelt sympathy goes out to the family of John and Maribeth Nelson, longtime Scouters and Owasippe campers, on the sudden death of their daughter, Kelly, a teenager, who was struck by a Metra train in March. The Nelsons are long-time Owasippe campers and are known for their large family get-togethers at the Reneker Family Camp. While John is with Troop 430 at Wolverine, the family stays at Reneker. Kelly was on her way to Owen Scholastic Academy when the accident happened. Our thoughts and prayers are with the Nelson family.
